

mdu:TRANSITION

Continental Seating's **mdu:TRANSITION** multi-media sofa epitomizes customization, comfort, storage, and functionality for the multiple dwelling and vertical living lifestyles. The modular design of the **mdu:TRANSITION** offers you the freedom to TRANSITION your seating configuration with limitless entertainment seating solutions.

transition1: Your Entertainment Station.

TRANSITION may be covered in faux leather, faux suede, or leather from our Bravo! or Grand Tier Collections; a two-toned covering option is available as well (as shown). TRANSITION may be further customized with a choice of cup-holder colors in black, silver or bronze. Additionally, in the spirit of customization that Continental Seating has come to embody, you have the ability to add contrast welt to your TRANSITION multi-media sofa.

transition2: Your Multiple Dwelling Accessory.
